

RISE TO THE CHALLENGE. EARN YOUR DEGREE AT AMU.

American Military University (AMU), the #1 provider of higher education to the U.S. military and veterans,* supports all those driven to serve. Join students representing government, intelligence, public safety, healthcare, and other mission-driven communities in achieving your academic goals. AMU earned its reputation as a leader in affordable higher education by always focusing on you. Choose from 200+ online degree and certificate programs that start monthly. Programs include business administration, criminal justice, cybersecurity, homeland security, and intelligence studies.
