

# MASTER YOUR FIELD. ADVANCE YOUR FUTURE.

Through your organization's partnership with American Public University (APU), you have access to **flexible, high-quality master's degree programs** designed for working adults. Join a community of alumni applying what they've learned to make a difference in business, technology, healthcare, and more.

## BUILT FOR YOUR SUCCESS:

### 100% ONLINE

Designed to flex around your busy life and schedule.

### FOCUSED CURRICULUM

Programs are typically just 10–15 courses, helping you reach your goals faster.

### MONTHLY CLASS STARTS

Classes begin every month, so you can start when you're ready.

### AFFORDABLE PROGRAMS

Reasonable rates, minimal fees, and **Virginia Municipal League 10% tuition grant**. No-cost ebooks for all master's-level courses.<sup>1</sup>

**IT WASN'T JUST THE FOUNDATION. IT HELPED ME GET TO THE NEXT STEP, GROW VERTICALLY, AND PREPARE FOR WHAT'S NEXT."**

Naomi Parker never planned on a career in retail management, but after discovering the opportunity at a career fair, she went all in. While working overnight shifts across the country, she earned her MBA in Global Business Management from American Public University. That education helped propel her from overnight manager to Director of Merchandising Operations, leading technology teams across international stores.
