

| PROPOSED FY2019-2020 BUDGET BILL (HB 30) A CLOSER LOOK |  | OOK          |
|--|--|--------------|
| Agency/Item Number                                     | Item Description   | FY19         |
|  |  |              |
|  | Administration   |              |
|  | Language and funding included to support a two percent across-the-board salary         |              |
| Compensation Board/Item 66                             | increase effective Dec. 1, 2019, for constitutional officers, regional jails and their |              |
| Compensation Board/Item 60                             | employees provided the governing body uses the aded funding to support such            |              |
|  | salary increases.  |              |
|  | No performance or compression-based increases are included for constitutional          |              |
|  | officers or their employees in either year; however, base adjustment funding of        |              |
| Commonaction Doord/Itam ((                             | \$1.45 million each year is provided to fully annualize the Aug. 1, 2017,              |              |
| Compensation Board/Item 66                             | compression-based salary increased given to sworn deputies, regional jail              |              |
|  | officers, and non-sworn staff with three or more years of continuous service in a      |              |
|  | Comp. Boad-funded position.  | \$1,453,215  |
| Compensation Board/Item 67-                            | No additional funding or positions included to address staffing standards,             |              |
| 73   | including sheriffs, court services, or jail overcrowding.                              |              |
|  | Base adjustment funding of \$12.16 million each year to fully anualize the two         |              |
| Compensation Board/Item 474                            | percent salary increase for constitutional officers, regional jail superintendents,    |              |
|  | finance directors and comp. board funded employees, effective Aug. 1, 2017.            | \$12,163,134 |
| Compensation Board/Item 67                             | Provides funding to cover anticipated increases in jail per diem payments for          |              |
| Compensation Board/Item 67                             | state- and local-responsible inmate population forecast.                               | \$374,114    |
|  |  |              |
| Department of Elections/Item                           | Removes the nongeneral fund appropration for federal Help America Vote Act             |              |
| 83   | (HAVA) funds, which will be depleted in FY18 (\$7.12 million each year);               |              |
|  | replaces with a lower appropriation of general funds to help replace HAVA funds.       | \$5,200,774  |
|  | Daniela Daniela de la constante  |              |
|  | Economic Development   |              |
| Housing & Community                                    | Establishes a statewide Virginia Grocery Investment Fund to expand access to           |              |
| Development/Item 106                                   | healthy foods in underserved communities. A statewide Community                        | Φ2.750.000   |
| 1  | Development Finanial Institution would manage the initiative.                          | \$3,750,000  |
